Dear Ms Goldsworthy,

Thank you very much for your responses to my letter of 12 October. The conclusion about the ACA payments made to you that I now intend to include in my report to the Members' Estimate Committee is as follows:

Mrs Goldsworthy was overpaid by £171.32 for mortgage interest in 2005-06.

Total repayment recommended: £171.32

Total repayments received since 1 April 2009: £1,005.00

**Balance recommended to be repaid: £0.00**

I currently expect to submit my report to the MEC in mid-December. I will be dealing further in that report with some of the more general points about my approach to the review which have been raised in the correspondence about my provisional findings.

Yours sincerely,

Sir Thomas Legg KCB QC

Dear Sir Thomas,

Many thanks for your letter, which I received yesterday.

Following your conclusion that my mortgage interest was overpaid by £171.32, I have decided to send a cheque for the same amount (enclosed), despite your recommendation that there is no balance to be repaid.

I have made the additional repayment, because the sum of £1,005 paid in June was in relation to a different item. This was explained in my correspondence with the Department of Resources at the time.

Yours sincerely,
